

# EASTER IDEAS

## PLANT A FLOWER

Easter is essentially about rebirth. What better occasion than to plant some flowers & watch them grow

## BAKE HOT CROSS BUNS

Is there anything more scrumptious than warm, freshly baked buns on Easter morning?

## PUZZLE PIECE EGG HUNT

Add a puzzle piece per empty egg and hide them like you would a classic easter egg hunt. The kids have to collect all of the eggs and assemble the puzzle

## HOPPIN' EASTER EGG HUNT

Add fun, active tasks into the empty eggs and hide them. Each time your kids find an egg they have to act out the task. Ideas: hopping like a bunny, the chicken dance etc

## ORIGAMI BUNNY BASKETS

A fun craft activity for the whole family. The bunny baskets can be to hold your eggs or a lovely Easter household decoration

## CAMP IN YOUR BACKYARD

Just because 'Iso' may have cancelled your Easter camping plans, it doesn't mean you can't pitch a tent in your backyard and still enjoy some camping fun

## NATURE SCAVENGER HUNT

If you're on a bid to ditch plastic, keep your kids entertained with a scavenger hunt inspired by trees, animals and plants outside. See our scavenger hunt template!

## PAINT EGG-SHAPED ROCKS

Gather the family and go on a nature walk to collect oval, egg shaped rocks/stones. Paint them and put them on display as decorations
